FEATURES

Sinfonia Candle is fashioned by its outer candleholder with iconic cuts, presenting an interchanging effect of lights and shadows. Fragranced by our signature scents, Sinfonia Candle offers a warm aura and hue with quality paraffin wax. Inspired by the fusion of art and technology, it's going to be your favourite candle in every occasion.

When the candle is lit, over 4000 colors are generated by RGB lights. The heart-warming light shines through the surface with a translucent glow and changing color, illuminating your home with artful brilliance.

The burn time for a Sinfonia Candle is up to 30 hours approximately if lit continuously. To assure high standard of safety, every Sinfonia Candle is carefully assembled with UL94 grade fire-retardant Plastic Material. It is safe as well as durable to use.

Sinfonia Candle offers signature nature-inspired fragrances - Ocean & Rose. Ocean, the breath of the sea, is elegant yet refreshing. Rose, the floral vibes, surrounds you with romantic relaxation.
